

Data Access

We make the data of this research available for sharing.

Data acquisition is extremely simple.

We provide de-identified data; due to hospital privacy requirements, we use a request-by-email distribution.

Email: bsuw@foxmail.com

with: Name + Purpose (reproduce this paper) + pledge to delete after reproduction and not redistribute.

Within 48 hours, we'll send the data via large attachment/temporary download link.

Academic reproduction only; no commercial use or redistribution.

If you are a journal reviewer, you do not need to provide your name—just mention the journal name.
